NOTICE OF CHANGE
TO DEPARTMENT OPERATIONS MANUAL

Chapter 1, Article 2 General Information

Transmittal Letter Number:

13-07

Revision Date:

June 14, 2013

The purpose of this document is to provide Department Operations Manual (DOM) holders with information regarding the deletion of DOM Chapter 1, Article 2, General Information.

This DOM article was last revised by the responsible program in 1995. It was determined from a review of the contents of the article that the existing information is not current, is not being updated and that correct and current information on the topics mentioned in the article is readily available through means other than in the DOM. DOM Chapter 1, Article 2 is now designated "Unassigned" and is available for future use for the adoption of new department operational policy.
